Originally delivered new to France, making it one of the rarer European supplied examples and fresh from a total nut & bolt restoration by renowned UK specialists.

Engine and gearbox have been fully rebuilt by Prill Porsche Classics and the engine fitted with upgraded pistons and cams, enabling it to now produce 110bhp.

Complete with its side screens, tonneau bag, Porsche Letter of Origin and restoration invoices which total well over Â£200,000.

A truly stunning example of an extremely iconic and super desirable car.
