## 2022 RANGE ROVER Autobiography P530 Long Wheelbase Santorini Black with Perlino Perforated Semi-Aniline Leather £SOLD

|              |             |                 |        |
|--------------|-------------|-----------------|--------|
| Mileage      | 2,202 miles | Engine Capacity | 4395cc |
| Body Style   | SUV         | Fuel            | Petrol |
| Transmission | Automatic   | Chassis No.     | 014606 |

Land Rovers have always been renowned for plenty of features; practicality, out of the box off-road abilities, style factor, ease of maintenance, adventure, safety, lack of depreciation and many more. The new Range Rover is a brilliant all-rounder, it boasts outstanding levels of luxury, cutting-edge technology, and provides its drivers with an impressive experience.

This 4.4-litre V8 petrol powered P530 version has 523bhp, it can accelerate from 0-62mph in 4.6 seconds before moving on to a top speed of 155mph, more than enough power to shift its Long wheelbase along! And the cars overall design is now slicker with less of the familiar "boxy" Land Rover appearance.

The example we are offering for sale here is the highest specification that the Land Rover range currently offers, being the "Autobiography". Along with a multitude of factory features as standard such as; the Autobiography badge, bespoke full extended leather interior, natural black birch veneer dash, perforated semi-aniline leather seats, 24-way heated/cooled

Tom Hartley Jnr Limited, Ivanhoe Business Park, Ashby-de-la-Zouch, Leicestershire, LE65 2UY
