A very special example that was in single ownership for nearly five decades of its life.

1 of only 22 UK right-hand drive Lussos ever produced and boasts unbroken provenance from new.

A full matching number example that is presented in its stunning original colour combination and benefits from a total restoration by marque experts. Following completion of its restoration, it was unveiled at the 2018 Salon Privé Concours d'Elegance where it won 'Best in Class'.

Complete with an extensive history file, including copies of its original factory invoice and correspondence to Maranello from the first owner plus its original handbook pouch and tool roll.
