Chrome look with Vodafone Livery
£SOLD

Mileage	N/A miles	Engine Capacity	2400cc
Body Style	Formula-1 Car	Fuel	Petrol
Transmission	F1	Chassis No.	02

Built by McLaren for the 2010 Formula One Championship season, this particular chassis scored two podiums with Lewis Hamilton and a win at the Chinese Grand Prix with the then defending World Champion, Jenson Button.

Following the 2010 season, the car was kept in McLaren's ownership before being recommissioned and sold to their most avid supporter and prolific collector in 2020, which is whom we acquired the car from.
