The latest production example we have ever previously handled or seen.

Delivered new to Germany to a very well-known racing driver and team owner of GELO Racing, Georg Loos and fitted with the optional extra of adjustable suspension.

Incredibly original throughout with factory markings still in place and all body numbers have been checked by ourselves and we can confirm these are all original and correct. The paintwork is incredible; with the most prominent weave we have ever seen on an F40, evidence that it retains its original paint.

Recently serviced, while in 2021 the tyres, fuel tanks, cambelts and suspension bushes were also replaced.

Offered complete with its original books including the service/warranty supplement, leather pouch, tool kit, tyre canister,
