A very rare UK supplied right-hand-drive example that was designed with the assistance of the Atelier department at Ferrari. This car has unique features and received a prioritised build for the first owner. Optional extras include Alcantara wheel arches, Alcantara central tunnel, Alcantara lower dashboard, front suspension lifting system, Scuderia Ferrari side shields, racing stripe in non-standard colour, large racing seats, white rev counter, coloured mats with logo, radio navigation system with Bluetooth, front and rear parking sensors, parking camera, AFS system and Navtrak. A truly stunning car and highly collectable!
