

TOM HARTLEY JNR

**2003 FERRARI Enzo**  
Argento Nurburgring with Rosso & Black

**SOLD**

|              |             |                 |        |
|--------------|-------------|-----------------|--------|
| Mileage      | 9,453 miles | Engine Capacity | 5998cc |
| Body Style   | Coupe       | Fuel            | Petrol |
| Transmission | Automatic   | Chassis No.     | 133923 |

Believed to be the only Argento Nurburgring example delivered new to North America and 1 of only 6 examples ever produced in this colour. A beautiful example throughout and still complete with its original books including the warranty/service supplement. Also with the car is the original wallet, spare key, tool kit, tyre cannister, car cover and battery conditioner.
