A UK supplied car from new, finished in one of the most attractive and desirable colour combinations. Totally indistinguishable from new throughout and still complete with its original owners manual/service booklet, spare key, speed key, PDA, battery conditioner, car cover and a 3-book set of marque literature. In addition the car has a complete history file which includes original factory correspondences and photographs of the car undergoing its final checks at the Molsheim factory. Without doubt, the very best Veyron on the market!
