| Mileage | 5,441 miles | Engine Capacity | 2926cc |
| Body Style | Coupe | Fuel | Petrol |
| Transmission | Manual | Chassis No. | 22519 |

A very early steel-bodied, carburettor example, one of the first into the UK. Ordered new with the desirable optional extras of air conditioning and wider wheels. Only 5,441 miles and 2 owners from new and complete with its original books including the warranty/service supplement, pouch, spare keys, factory model literature and well documented history file. Surely the finest example anywhere!
